Lightning

- ⚡ If you hear thunder, get into an enclosed building or shelter. Do not stand out in the open, on a roof, or in an open shelter.
- ⚡ If you can't find a building, get into a vehicle with the windows closed. Do not touch the doors or other metal inside.
- ⚡ Keep away from objects that can conduct an electrical current, such as scaffolds, heavy equipment, pipes, light poles, plug-in power tools, trees and water.
